

Ukiah School District 80R Vision, Mission and Belief Statements and Strategic Goals

Vision Statement

The vision of Ukiah School District 80R is to be a district of excellence preparing ALL students to live and compete successfully in a global society while instilling a strong desire for lifelong learning.

Mission Statement

Ukiah School District 80R provides an educational opportunity that empowers students to achieve academic and personal goals to become college and career ready, productive, responsible citizens to influence an ever-changing world. We will provide appropriate instructional resources and current technology. We will seek to achieve the mission through community support, active parental involvement, while utilizing educational and business partnerships.

Core Belief Statements

- We believe students have first priority of all our resources.
- We believe education is the shared responsibility of the student, the parent/guardian, the school, and the community.
- We believe communication and understanding among all people and students of our diverse community are essential to achieving the goals of education.
- We believe learning is a continuous process and most productive when the needs of each student are met through instruction provided by competent and caring teachers from pre-kindergarten through twelfth grade.
- We believe a learning environment where everyone experiences security, care, dignity, and respect is essential.
